Internet Connection Plans
PinTelCo Internet
6/09/2022

PinTelCo Internet, in cooperation with Pinnacles Telephone Co., is pleased to offer internet connectivity to residents of, and businesses in, the Paicines area. In Pinnacles Telephone Co.'s telephone service area, we can provide Fiber-To-The-Premise (FTTP) internet connections with a symmetric 100Mbps connection speed and Asymmetric DSL with a nominal download speed of 10Mbps. Costs associated with FTTP and ADSL internet connections are as follows:

Technology:	Nominal Connection Speed:	Monthly Cost:
FTTP	100Mbps (bidirectional)	\$200
ADSL	10Mbps down / 1.5Mbps up	\$75

Higher ADSL speeds may not be available in locations which are distant from Pinnacles Telephone Co. terminals.

Fixed wireless internet connections are available now in the following areas:

- Cienega Rd, from Grass Valley Rd to Airline Hwy
- Limekiln Rd
- Grass Valley Rd
- Thousand Trails RV Park
- Paicines Ranch
- Highway 25, between Tres Pinos and Paicines
- Thomas Rd
- Murphy Rd
- Panoche Rd, from Hwy 25 to Cottonwood Rd
- Brown's Valley Rd
- Cottonwood Rd
- Panoche Valley

Wireless internet connection speeds range from 500Kbps to 10Mbps. Higher speeds and custom installations can be provided by special arrangement. Costs associated with Wireless speed tiers are as follows:

Speed Tier:	Monthly Cost:
Up to 500Kbps	\$50
Up to 1Mbps	\$75
Up to 2Mbps	\$90
Up to 3Mbps	\$105
Up to 4Mbps	\$120
Up to 6Mbps	\$150
Up to 10Mbps	\$200

Typical radio installation cost is \$200; difficult or complex installations start at \$300.
